

3rd Annual Autobahn Ultimate Driving Experience

benefiting the Will-Grundy Medical Clinic

May 11, 2017

Dear Friends of the Will-Grundy Medical Clinic:

Buckle in because we're heading back to the Autobahn! Join us at the area's premiere road racing facility for a special driving experience and party to benefit the WGMC on **Saturday, August 5th** at 5:30pm.

Once again, each attendee will be able to get behind the wheel of one of the many luxurious cars in the Autobahn's fleet and enjoy a delicious and relaxed dinner with live music and a cash bar with a signature drink. We're looking forward to a fun atmosphere with some great people!

The best part of all is that each ticket supports the Clinic. The Will-Grundy Medical Clinic reflects the grace and goodness of so many in this community. It is a testimony to the generosity of the people who founded the Clinic almost thirty years ago, as well as those who volunteer and continue carrying the work of the clinic forward.

Tickets are \$125 and include a driving experience, live music, and a delicious BBQ dinner prepared by the Autobahn's award-winning executive chef, Peggy Gerdes.

A VIP package of four tickets will also be available. Each VIP group will have reserved seating and a complimentary bottle of wine. These packages are available for \$600.

Please visit <http://bit.ly/wgmc-autobahn> to purchase tickets online and for more information. Feel free to contact Development at 815-726-3377 x225 or contact@wgmedclinic.org with any questions. The Autobahn Country Club is located at 3795 CenterPoint Way, Joliet, IL 60436.

We thank you for your continued generosity, support, and your help in providing health care and hope for those in need in our community.
