

# Autobahn Competition Licensing School

## April 7, 2018

- Completion of this school is required for Autobahn Racing License**  
All or part of school may be waived based on previous racing experience (contact Tom Bagley)
- Drivers must have all licensing information in to Tom Bagley**  
This includes license application, racing history, and racing physical
- Driver safety equipment is required**  
Drivers must have approved helmet (Snell 2010 or newer), driver's suit, shoes, gloves, etc. Hans (or equivalent) device is recommended, but not required for the school
- Only Closed Wheel, competition approved cars may be used**
- Cost of the school is \$125 for Autobahn Members, \$225 for Non-members**
- The school will take place on the North Track, class will be held in the South tower classroom**
- Drivers are encouraged to read the first forty pages of the Member Racing Rulebook**
- The rulebook section on FLAGS is required reading**

Every effort will be made to accommodate members who might need special assistance or consideration in completing this school. This doesn't imply that drivers will be awarded a license on the basis of a phone call, but if you need a Hans device, your car isn't ready yet, you only have an open wheel car, your dog ate your license application, or whatever, contact Tom ( [tombagley@autobahncc.com](mailto:tombagley@autobahncc.com) ) or Tony ( [tonykester@autobahncc.com](mailto:tonykester@autobahncc.com) ) for assistance.

The Autobahn is a club, not the FIA or IndyCar, and we'll attempt to help beg, borrow, rent, or steal (?) whatever we can to help members complete this school with a minimum of expense and inconvenience.

We are looking forward to seeing you on April 7th!

Tony Kester & Tom Bagley

# **Autobahn Licensing School Schedule**
