Dear Autobahn Country Club Members,

The purpose of this letter is to announce new and exciting benefits for Autobahn Country Club Members. We have recently developed an alliance with ClubCorp, the world Leader in Private Clubs, which will provide our Members with extraordinary benefits at over 300 private clubs, including several in the Chicago area. This new privilege of Autobahn Country Club membership is called Signature Gold Unlimited and will now be included with your Membership. Signature Gold is just another reason to belong to Autobahn Country Club as we believe our Members deserve the opportunity to enjoy their membership when they are away from the Club, too.

Signature Gold was introduced in 1999 in a response to “what does club membership provide for our Members when they aren’t on-site?” Since then, over 135,000 private club Members have enjoyed the perks of Signature Gold:

- **Cart-fee only golf at each participating country club, every month, outside of the Chicago area**
- **Complimentary four-course meals at each participating city or business club, every month, outside of the Chicago area**
- **A head start with 30-day advance tee times through ClubLine concierge, when you travel**
- **No cost for TaylorMade rental clubs at ClubCorp owned country clubs, when you travel**
- **Unaccompanied guests passes for ClubCorp dining clubs**
- **Cart fee only golf at participating Chicago area golf clubs, including Rolling Green Country Club & Ravinia Green Country Club in the Arlington Heights area. Some time restrictions apply.**
- **50% off member dining at 5 local area private clubs when you have dinner, including the Metropolitan Club and Mid-America Club in downtown**

PGA National, Palm Beach Gardens, FL

Anthem Golf & Country Club, Phoenix, AZ

Play for cart fee only at Firestone Country Club in Akron, OH, Mission Hills Country Club in Rancho Mirage, CA, Gainey Ranch Golf Club in Scottsdale and clubs located in major destination like Oahu, Puerto Vallarta, Myrtle Beach and Hilton Head down to Tampa, Atlanta, Austin, Las Vegas, San Diego and more! Also, enjoy your complimentary dining at private clubs from Seattle to Fort Lauderdale and Los Angeles to Boston.

Please visit the Benefits Finder (<http://www.clubcorp.com/ClubCorp-Network/How-to-Access/Benefits-Finder>) on **ClubCorpNetwork.com** to see more information and a list of all participating locations.

These extraordinary privileges are now included in your Autobahn Country Club Membership, so please take advantage of them! Members with Signature Gold enjoy red-carpet service, beautiful golf courses, amazing dining clubs, and will always have a place to show off to friends and colleagues no matter where you may find yourself.

Sincerely,

The Autobahn Country Club Board of Managers
