

GT RACING CLASS

2025 Rules Final

Instructions For Completing Form:

1. Competitor should fill in all cells below with information about their car.
2. Racing Weight should represent the weight of the car, with driver and fuel at the end of a race or qualifying.
3. Dyno results (clearly showing peak HP and Torque) must be attached and submitted in PDF or JPG form with this sheet. The date of submitted dyno must match the date of dyno sheet input below. The dyno results must represent the current engine / drivetrain configuration of your car, without changes.
4. If your car has an mechanism for adjustable power map (i.e. power stick or switchable engine map), please fill out the area on the bottom of the form at the bottom of the form declaring such and indicating which power map / power stick you are using to classify your car for GT Racing.
5. Print, sign and submit with pdf of jpg of dyno sheet to: abccgtcar@gmail.com, you should also attach an electronic copy of your completed Excel spreadsheet with your email.

Racer Information	Fill in Boxes Below
Name	
Date	
Car Make / Model	
Car Number	

Car / Dyno Informaiton	
Date of Dyno Sheet	
Enter Your Car Racing Weight with Driver	
Peak RWHP from Dyno	
Peak Torque from Dyno Sheet	

HP / Torque for Calculations

Adjustments	"YES" or "NO"
Do you run WITHOUT Aero?	
Will you be running on DOT Tires?	
Is Your Car Mid Engined	
Do you Have a Dog Type Trans?	
Do you Run a DCT / PDK Type Trans?	
Do you Have a Sequential Trans?	

By signing below the racer hereby represents and warrants that, to the best of their knowledge, the information contained in this spreadsheet is true and correct. Further, the racer represents that no changes have been made to the drivetrain that may increase horsepower or torque readings since the date of the dynamometer readings referenced above and attached hereto. Finally, the racer understands that compliance with the rules of the GT Racing series and the classification of the cars is their sole responsibility, and failure to adhere to the parameters for their car detailed above may result in forfeiture of points or other penalties.
