MENTAL HEALTH**

DRIVE TO THRIVE EVENT

RACING 4 MENTAL HEALTH IS A 501(C)(3) NONPROFIT

**Let's shift Mental Health
Awareness into High
Gear!**

About Our Charity Event

Drive to Thrive is a 90 minute karting event where teams will compete both on the track and in fundraising all to support mental health advocacy, education, and outreach. Each team must raise a minimum of \$5,000, with a \$1,000 entry fee securing their spot. Teams should have 4–8 drivers (most average 5–6), and all drivers must be at least 16 years old. This high-energy event is more than just a race, it's about fighting the stigma, normalizing conversations around mental health, and helping our communities thrive.
