EMBRACE THE ROAD LESS TRAVELED

Experience three days through Northern Illinois and Wisconsin's Driftless Region — scouted backroads, river bluffs, and overlooks — from the driver's seat of your own car. It ends where it started: on track at Autobahn Country Club.

ARRIVAL & THE WESTERN RUN

Welcome brunch and briefing at Autobahn, then west on IL-64 to the Black Hawk Overlook above the Rock River. Eagle Ridge check-in, then a private welcome dinner.

THE DRIFTLESS LOOP

Out of Galena into Wisconsin's Driftless — steep ridges, deep valleys, the Balltown Overlook above the Mississippi, and the Great River Road along WI-133.

TRACK DAY FINALE

Highway 84 south along the river, bluffs on one side and the Mississippi on the other, back to Autobahn for two dedicated track sessions.

"Everything was great. Very well organized, beautiful places. The lodge was great, the food was awesome. We really enjoyed the whole experience."
